“Follow the Star”
Contest Winner
Merry Christmas, Evelyn!

“Once or twice a week, sometimes more, Evelyn drives people to medical appointments and waits until they are ready to go home again. Then she gives them a ride home, never accepting anything more than a Thank You. She also plays in a “Kitchen band” that provides fun and music at local area nursing homes at least once a week, all around her home in southern Minnesota. There are a lot of nursing homes that have enjoyed her band over the last couple of years. Evelyn does volunteer work at her church and helps anyone who needs a hand.

She has a bunch of great- grandchildren who I am sure will agree with me that Evelyn is a true follower of the Star of Christmas!”
